99 Degrees ★★★★★

Heating Up

The people who brought you Club 99 and Le Petit Gourmand have done it again with a rooftop terrace and whisky bar in the heart of Sanlitun. 99 Degrees has a classy wild-west feel with intricate wallpaper, dimly lit chandeliers and bartenders in grey vests. With private rooms and roomy bathrooms, the place feels more vintage hotel than high-end watering hole. The third floor houses the impressive single malt collection (¥60-100) while the rooftop specializes in cocktails (¥70) and dazzling views. Join the VIP club (¥500-120,000) to feel extra snazzy. ■ **Lauren Johnson**
